

COMPANY

PROFILE

KALINDO PRATAMA

It's the difference, It's unique

*Love the way we design with less expense
and high profile*

*Interior designing is the art and science
which enhance your mind and we designs
that make your eyes sparkle.*

Kalindo Pratama

About Us

KALINDO PRATAMA is a company specializing in interior construction, furniture manufacturer, branding & advertising.

We are your one-stop solution from design consultation, construction to furnishing.

The range of our work includes interior design, interior fit-out, custom furniture for woodworking and metalwork.

Before executing any task or project undertaken by us, we prepare a draft and send it for clients approval.

Our office interior design and build team have more than 10 years of experience in the workplace design industry.

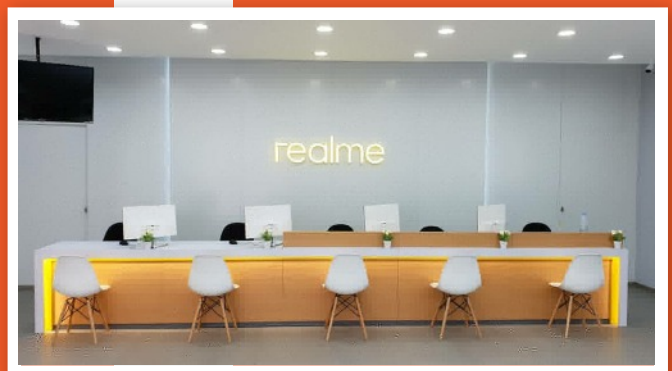

Our team of civil engineers over the years have gained the valuable industry expertise.

This has enabled us in offering our clients with the complete interior furnishing solutions for their workspace.
